I understand that my children's photographs and samples of my children's faith formation work may be published in The Catholic Accent, the official newspaper of the Diocese of Greensburg, and on the parish and/or Diocesan websites. I further understand that the work will appear with a copyright notice prohibiting the copying of such work without express written permission. In the event a request is made for such permission, those requests will be forwarded to me as parent/guardian. I understand the parish and staff will be the contacts responsible for the work published and that the school's address, telephone, and email addresses appear on the school's web site. I understand that I can request that my children's individual pictures or formation work not be published on the school web site. (This is not inclusive of any group, class, or parish production photos utilized on the web site or by members of the media. I understand that if at any time I do not wish to have my children's individual photos and/or samples of my children's school work published in The Catholic Accent or on the Diocesan or parish web site, I will submit written notification, including the date, children's names, and parish to the faith formation leader and/or pastor.
